

Minutes

Date: 04/04/23

Location: Remote

Time:16:00

Attendees: Ally Park, Lucas Mockridge, Irek Swierczynski, William Harris,Lauren Hill

Points of Discussion:

- To show William our application and received feedback
- Discuss the implementation of the coloured time spaced algorithm and UI changes
- Clarify the compatibility of the wix site with our application and how that affects the ability to implement paid components
- How has the MVP been received?
- Discussing how to move forward over the next month in order to produce the best possible product

Further actions to be taken:

To act on feedback and address some final bugs before the final deadline

<u>Task</u>	<u>Assignee</u>
Merge existing pull requests	All
Spaced repetition with card functionality adaptations	Mainly Irek
Flashcard editor errors	Ally and Laure
